SUBJECT: **INVITATION TO THE INFRASTRUCTURE ASSESSMENT COURSE 05 – 09 MARCH 2018, INGOLSTADT, GERMANY**

REFERENCES: A. NATO Land Engineering Conference 2016 & Critical Infrastructure Assessment Seminar Record of Decision, dated 16 May 2016.
 B. Trip Report of the Infrastructure Assessment Course held at MILENG CoE from 6-9 Mar 17, dated June 2017.
 C. LANCOM Directive 080-02, dated 20 June 2016.

1. The third annual NATO Land Engineering Conference (NLEC 16) was held at HQ LANDCOM, Izmir, Turkey from 22 to 23 March 2016. The conference was chaired by LANDCOM ACOS GENG and included participation from the military engineering communities of the NATO Command Structure (NCS), NATO Force Structure (NFS) and United States Army Europe. The NLEC 16 was preceded by a Critical Infrastructure Assessment Seminar held on 21 March 2016 with the participation of the NCS and NFS where ARRC briefed on their Infrastructure Assessment SOP.

2. One of the deficiencies that were unanimously identified by the attendees of NLEC 16 was the lack of a common methodology to effectively assess the status of national infrastructure, how to determine what is critical and how to measure/prioritise its criticality. An action item (Ref A) from NLEC 16 was for LANDCOM to take forward the requirement to deliver an Infrastructure Assessment Course, in order to meet the short and long term requirements.

3. A pilot Infrastructure Assessment Course coordinated by LANDCOM and hosted by MILENG CoE was given from 06 - 09 Mar 17 by two instructors provided by the 170 Infrastructure Support Engineer Group UK for a total of 24 students. This course provided an excellent opportunity to further develop an area that yields benefits across the MILENG community and the wider NCS & NFS.

4. LANDCOM will coordinate and provide instructors to the 2nd Infrastructure Assessment Course that will be hosted by MILENG CoE from 05 – 09 Mar 18 in Ingolstadt, Germany.

5. You are kindly invited to send your Infrastructure or Engineer Intel SMEs to the course by registering on the MILENG CoE site (www.milengcoe.org) NLT 19 Jan 18. Should the number of registrations exceed the course capacity of 24, LANDCOM will prioritise applications and confirm acceptance NLT 26 Jan 18. This course immediately precedes the MILENG COE NATO Operational Military Engineering Course and provides an opportunity for consolidated training across a number of important MILENG areas.

6. Administrative Instructions are enclosed. LANDCOM POCs are:

a. Admin

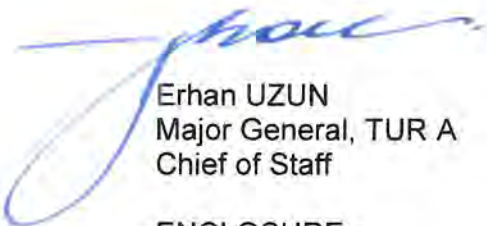

OF-3 Suresh Sangarapillai, CAN Army
Tel (NCN): 423-1395 or 0090-232-411-1395
E-mail (NS): LCGENGCoordinationOffice@lc.nato.int
E-mail (NU): Suresh.Sangarapillai@lc.nato.int

b. Instructor

OF-3 Brian TRAGER, CAN Navy
Tel (NCN): 423-1450 or 0090-232-411-1450
E-mail (NU or NS): Brian.Trager@lc.nato.int

7. The Infrastructure Assessment Course provides an excellent opportunity to further develop an area that yields benefits across the Engineering community and the wider NCS and NFS. I would therefore urge your participation and very much look forward to your engagement in this important area.

Infrastructure Assessment Course in Ingolstadt

ADMINISTRATIVE INSTRUCTIONS dated 02 October 2017

1. **General.** The MILENG COE will host the Infrastructure Assessment Course over the period 05-09 MAR 2018, in Building # 8 in the Pionierkaserne on Manchingerstrasse 1 – 85053 Ingolstadt (Annex A).
2. **Attendance.**
 - a. Students are expected to arrive for the Infrastructure Assessment Course (Building 8 – See Annex A) at 0800hrs on 05 MAR 2018. The course will end on 09 MAR 2018 at 1100 hours.
 - b. **Registration.** All students are requested to register for the course using the online registration available through the MILENG CoE website www.milengcoe.org (log-in required) NLT 19th JAN 2018.
3. **Transportation.**
 - a. **Arrival by Air.**

The recommended airport is Munich (MUC). The City Shuttle Bus, Ingolstadt Express - X 109 – which leaves every 90 minutes from the Airport and arrives at Ingolstadt ZOB (Central Bus Station). Travel time is approx. 60 minutes. The fare is approx. €22.00 one-way and €35.00 return (See Annex B).

The MILENG COE is unable to provide transportation from the ZOB to your place of accommodation.
 - b. **Arrival by Train.**

Ingolstadt can also be reached by DB ICE train or regional trains. All information related to train connections and schedules can be found at <http://www.bahn.de>.

The MILENG COE is unable to provide transportation from the railway station to your place of accommodation.

- c. **Arrival by car.** Leave the Autobahn A9 at Exit 62 INGOLSTADT SUD and follow directions to Ingolstadt. The barracks main gate is approx 400m from the highway on the right (Manchingerstrasse 1).

Course participants are allowed to park their POVs only in the designated area (See Annex A).

- d. **During the Event.** MILENG COE will not provide any transportation support.

4. **Accommodation.**

- a. The recommended hotel is ENSO Hotel (www.enso-hotel.de) which is within 10 minutes' walking distance from the barracks (Pionierkaserne in Manchingerstrasse 1). The MILENG COE has negotiated lower room rates for the course participants (Single room for €96 and Double room for €119). Course participants are asked to book their own accommodation rooms directly with the hotel using the Booking Form (See Annex C) not later than 20 FEB 2018. Do not book before you receive confirmation from MILENG CoE that you have received the acceptance confirmation (NLT 26 JAN 2018). The booking reference is "MILENG INFRA COURSE". It is NOT possible to apply TAX-FREE policy when paying for the hotel!
- b. Military accommodation may be available on request. The room rate is approx. €13.60 for single room (breakfast not included and can be taken in the All Ranks Mess Hall on a pay-as-you-go basis). Towels and soap are not provided. Please annotate the registration form accordingly. Military accommodation is limited to a maximum of 24 rooms. When this limit is reached, MILENG COE will deny any possibility for the students to apply for military accommodation during the registration process. Therefore, those should look for alternative accommodation. The room key will be available in the key box located at the entrance of Building # 8 (Code: 85053#) after 1630 hours and on weekends.
- c. Military accommodation will only be available from 05 - 08 MAR 2018 inclusive. Rooms must be vacated on the morning of 09 MAR 2018 (the last day of the Course) to allow preparation for the subsequent NATO Operational Military Engineering Course (NOMECE). Students who require accommodation on the night of 09 MAR 2018 are to book hotel accommodation.
- d. Students who will be attending the NOMECE after the Infrastructure Assessment Course will not be required to vacate their rooms.

5. **Social Events.**

- a. **Meet and Greet.** There will be no official meet and greet. However, there is an opportunity for students to meet and greet at the Casino located in the barracks on 05 MAR 2018 between 1700 and 1900 hours. Please be aware that ordering meals in the Casino may take time due to the limited number of personnel working in this facility. Payment will be as you order.
- b. **No-host Dinner.** There will be an informal dinner in Ingolstadt on 06 MAR 2018 (1900 - 2200 hours). Further details will be provided on 05 MAR 2018.
- c. **Spouses Programme.** There will be no Spouses Programme organized by MILENG COE.

6. **Dress.** Dress throughout the meeting will be Battle Dress Uniform (BDU).

7. **Information Folder.** During in-processing an information folder/welcome package will be provided to the students containing the final agenda and general information.

8. **Funding.**

- a. **Fees.** The registration fee for this event is 40 € per student and covers the cost of coffee, refreshments and office supplies.
- b. The fee will be collected during the in-processing on the first day of the course (05 MAR 2018, 0815 – 0900 hours). Cash (EUR) or major credit cards will be accepted.
- c. Students are responsible for funding their travel, accommodation and meals. Delegates must pay their own hotel bills directly to the hotel (credit cards accepted), on departure.
- d. **Currency.** The official currency of Germany is Euro. Course participants are recommended to change money at the airport or the local banks. All major credit cards are accepted in the hotel, but not in all restaurants.

9. **Meals.** During the course period meals will be served in the Mess Hall which is located within the barracks on a pay-as-you-go basis (Cash only - 3.10 Euros for lunch and 3.10 Euros for dinner).

10. **NATO Travel Order.** It is recommended that NATO members attending the course obtain a NATO travel order.

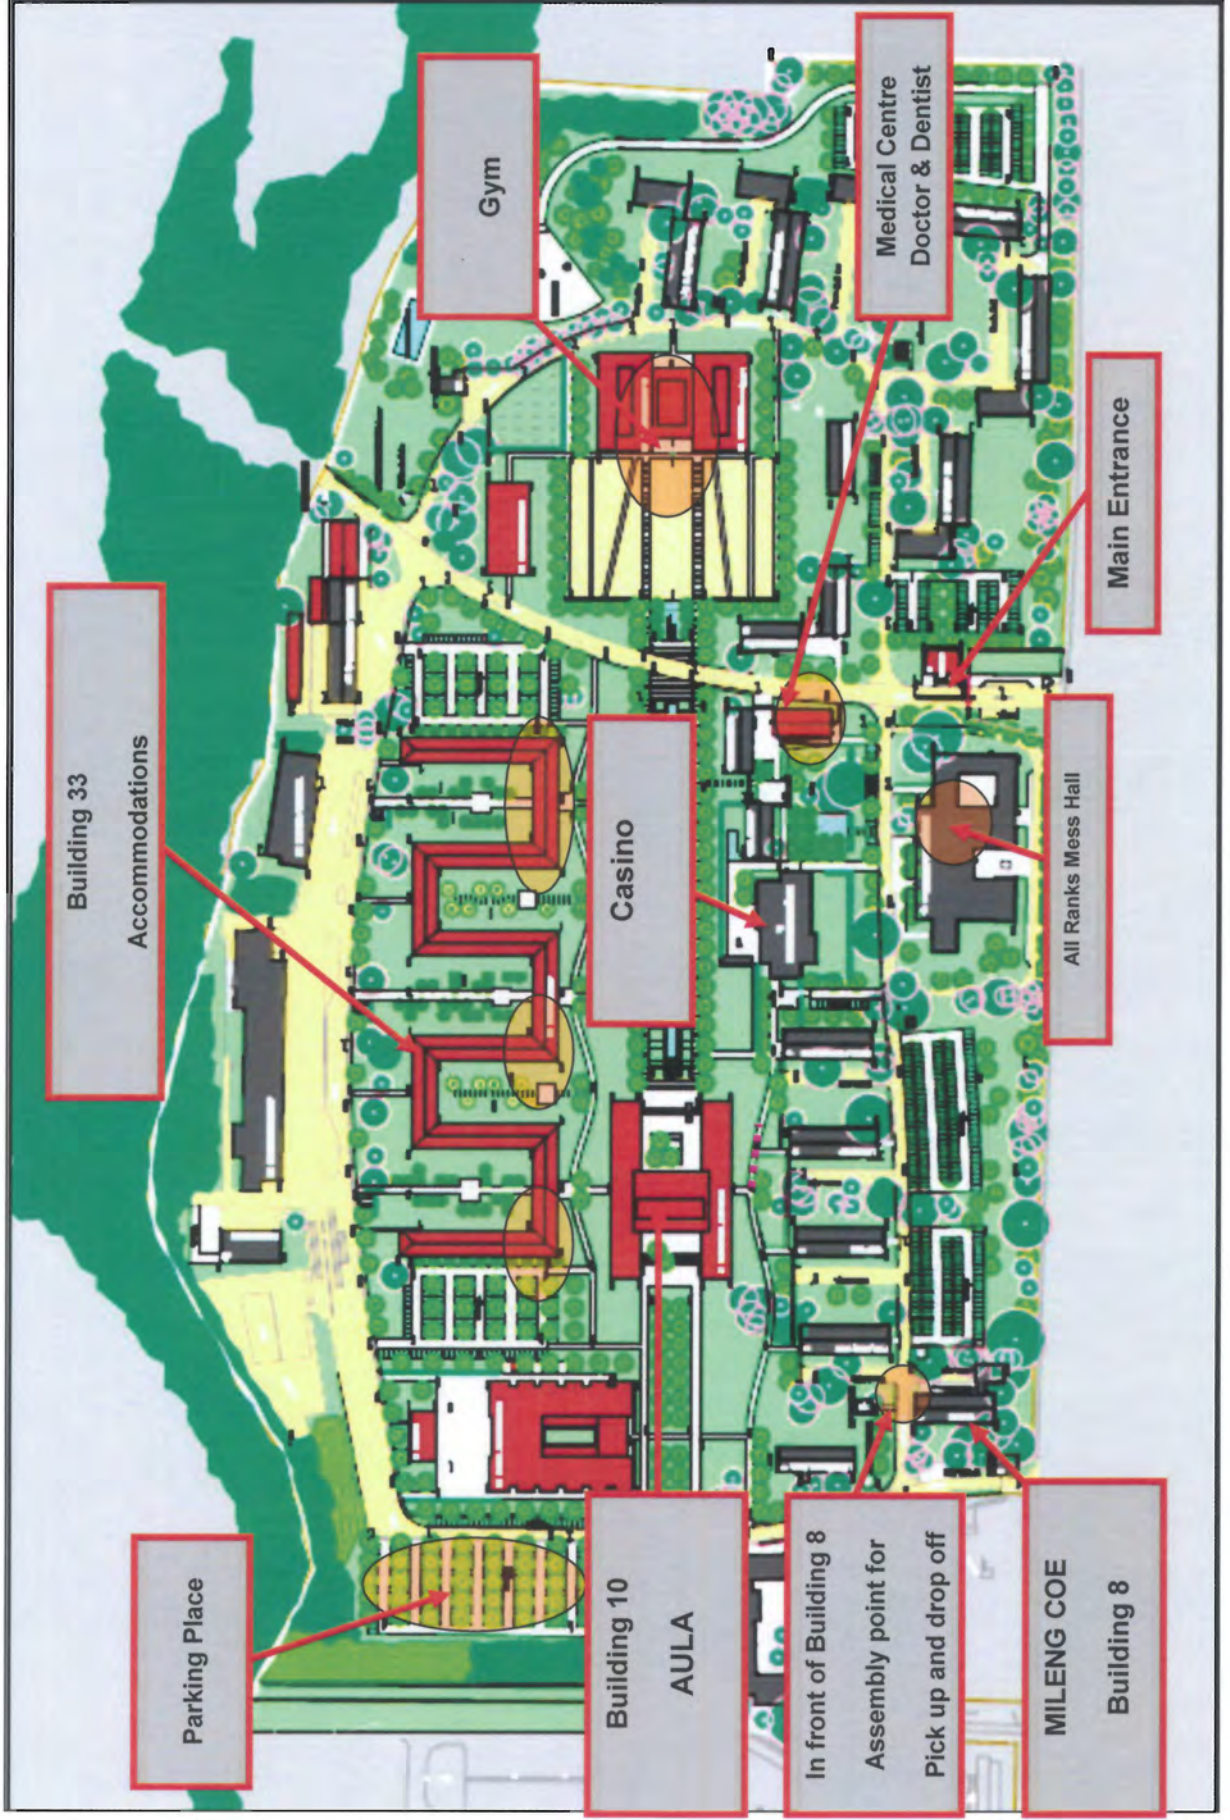

11. **Visas.** Delegates from countries other than NATO or the EU, where a visa is required to gain access to Germany will have to take the appropriate action through their own national authorities.
12. **Electricity.** Voltage in Germany is 220/240 volts. If you are to use a laptop, bring suitable a “worldwide” adapter.
13. **IT.** The classroom is equipped with computer and projection facilities. Wi-Fi will be available in Building # 8 on request for a maximum of 2 devices. The rooms in the barracks only have cable network.
14. **MILENG COE Point of contact.** The point of contact for course registration is OR-9 Frits Vugteveen.
